

Colton Parish Council

Grants available for Community Organisations

Colton Parish Council has allocated an amount of money to support initiatives in your community!

Are you a keen individual who wants to organise an event for your village?

Are you part of a community group that can't find a grant to buy equipment?

Or are you a member of a local committee that needs funding towards minor repairs or to support resilience?

If you can answer yes to any of the above then please contact the Parish Clerk, Julie Hendry, at

clerk@coltonparishcouncil.org.uk

for an application form or further information from

www.coltonparishcouncil.org.uk

**Grant applications will be considered at the
December 11th PC meeting so please apply
now and don't miss out in your village!**
